# Why Choose Asian

Group of Colleges

Asian Educational Institute  
Year of establishment : 2010

Asian College of Education  
Year of Establishment : 2015

## Why Choose Asian Group of Colleges

The Institute is on the cutting edge of disruptive technology and global innovation. All Institute members have the opportunity to take classes. The amenities are plentiful and of high quality, from classrooms to laboratories. Most important, the Institute's teaching and non-teaching staff has the caliber and culture to assist students in achieving their higher educational goals.

- \* We are going to make sure that when you depart after completion of your study programs you will feel more groomed & competent.
- \* We make every effort to keep the education within reach: Both the state and the Institute offer variety of scholarship opportunities.
- \* You'll be set up for success: Our Placement and Entrepreneurship Centers include all the information and job postings, as well as fantastic modules for long-term sustainability. You can continue to pursue your studies In Master Degree as well, especially an MBA(International Business) programme. Which has a huge scope.
- \* Asian has made significant investments in new teaching pedagogy. It creates the finest possible teaching possibilities and learning environment.
- \* Asian plays a crucial role in developing future leaders who can have a good impact on the world. Asian is a multidisciplinary institute that offers studies in Sciences, Commerce, Business Management, Computer Science, and Education.
- \* You will get join a robust alumni network at Asian, combining your degree with professional ties that can help you succeed.

## From Chairman's Desk

As a chairperson of AGC, I am so passionate about excellence in the field of education as well as the career of the students. We at the Asian Group of Colleges (AGC) provide a stimulating environment and a wide range of activities where students are tested on their caliber to handle circumstances, be it as a team or even as leaders. Our aim is to provide students with a learning experience that amalgamates creativity, perseverance and commitment to achieve their desired goals. Building confidence within students is the hallmark of our faculty. AGC comprises academicians and professionals, who collaboratively strive to help students in achieving brilliance in theory and practicality.

In the field of education since 2010, AGC has established itself as one of the most successful and credible educational trust attracting students from all over the Malwa Region and has developed strong linkages with national and regional academic and business communities. Our Tie-Ups and collaborations such as NGOs, Corporates primarily aim to enhance the employability of the students at a national and global level. These collaborations provide tools for 360 degree grooming of the student to make them a valuable resource and asset for any company. The colossal factors are actually magnificent artefacts to amplify the growth prospects. Our vision is to provide affordable quality education to all, to promote morality and sobriety of life, values in the students, identify their hidden talents and provide them opportunities to realize their full potential, thus shaping them into responsible citizens and good human beings. However, the only mission of my organization is to provide best and affordable, holistic quality education to all.

Recently, we have become the NAAC accredited Institution, the sole self-financed Degree College in the region which sets the benchmark and reserved its position as a role model. Now, we have a goal now to unleash the creative & analytical potential in the field of academics and to allow our students to evolve into professionals at par with the global standards. AGC has been setting benchmarks in management is aptly reflected by its high standard of pedagogical tools as well.

*Tarsem L.*

**Sh. Tarsem Lal Saini**

Chairman, Asian Group of Colleges

## From Desk of Vice Chancellor

Punjabi University, a premier higher education institution of the Malwa region, is committed to provide a world class education by ensuring quality teaching and research. In addition, the university has a large number of colleges that includes government, Government aided and self-financed colleges. Indeed a well-defined regulatory mechanism of the University provides academic leadership to the colleges for promoting quality education in the nine districts of Punjab.

The Asian Group of colleges (AGC) is an upcoming institution affiliated to Punjabi University and known for its academic excellence, teaching pedagogy and learning management system. Notwithstanding, a decade old institution excelled not only in the field of academics but also in the sports, social-cultural, science and environmental fields as well.

However, I do feel a self-finance purely private funded institution working really very hard to explore the new avenues especially in Science Inspire programs, funded by the Department of Science and Technology (DST). The institution organized Eight Inspire Programs in a row. Furthermore, the institution administers; Village adoption program, Social Awareness activities and Career awareness programs in the campus as well as abundant outdoor associations to shape up the young scholars as prospective employees. Indeed under the visionary and adroit guidance of the whole team of management, the institution has been rewarded with the NAAC institutional Grading by seeing the significant academic, administrative and infrastructural excellence.

Moreover, college has the state of the art infrastructure, lush green campus, best sports facilities, Science Labs, Computer Labs, Language lab and well-stocked Library to cater to the faculty and students needs. Above of all, the institution has a four conference halls, where students are being taught by using ultra-modern pedagogical tools, respectively on blended and physical modes. I certainly admire and congratulate the College management and administration for their outstanding efforts and wish them luck for the best future endeavours and engagements.

**Professor Arvind**

(Vice Chancellor, Punjabi University, Patiala)

## From Principal's Desk

Dear Students,

Asian Group of Colleges Patiala is a leading co-educational Institute of North India, established in 2010. It is celebrating 12 years of academic excellence. It has its own magnificent history. The alumni of Asian Group of Colleges have gained name and fame all over the world for themselves as well as for their alma mater. Asian Group of College is the epitome of academics, sports and cultural activities.

The College was accredited with "B" grade by NAAC (National Assessment & Accreditation Council) in the 1st cycle.

Asian Group of Colleges is affiliated to Punjabi University Patiala. There are around 23 ongoing Undergraduate and Postgraduate programmes. This institution provides education relevant for the present competitive world. This helps in developing the overall personality of a student. The students are provided with every facility and their problems are immediately dealt with. I firmly believe that the students will gain complete knowledge of college rules and regulations from the Prospectus and will contribute in maintaining the discipline and status of this college.

**Dr. Sanjeev Kumar Modi**  
Ph.D., M.Sc.(Maths), MBA(IB), PBDMSEMI

## About Asian Campus

Asian Group of Institutes is Affiliated to Punjabi University, Patiala and accredited by NAAC. This is the first self financed degree college who got accreditation from NAAC. The College is dedicated to promoting & projecting the best Academic environment which is viable to impart the personal, social & intellectual growth of every student associated directly or indirectly with us. We are a decade old organization serving and empowering the students to become leaders, best citizens and professionals. We enable them to get ready to take socio-cultural accountability in creating and developing to contribute to nation building.

The campus, spread over an area of over eight acres, is located at about 12 kilometers from Patiala bus stand, on the Patiala-Sirhind road, opposite Tricone City. The institution has several departments covering the disciplines like Humanities, Sciences, Commerce, Computer Science, Business Management and Education. A wide array of courses is being serviced by the institution that includes diploma, graduation and post-graduation programmes in various disciplines. Along with academics and professional growth, institution develops the communication skills and grooms the personality of budding scholars.

Away from the noise of the city, campus is situated in a lush green eco-friendly environment. It has a state-of-art college campus, buildings with richaesthetic ambience, well stocked library, latest laboratories, modern computer labs, Wi-Fi campus, 24x7 HD camera security, big playgrounds, spacious auditorium and a hostel facility. A well-equipped communication lab with latest software is a unique facility in the region. A high security Girls Hostel with hygienic food facility is also available. A big fleet of vehicles forms the backbone of safe transportation system of the institution. Whole of the campus design aims at comfort, safety and security of the users.

5.	Mr. Gurwinder Singh , Clerk	
6.	Ms. Varinder Kaur, Asstt. Librarian	
7.	Mrs. Jagpreet Kaur, Receptionist	
8.	Mr. Avtar Singh, Daftri	

## Department of Commerce

Every journey begins with a single step, and scaling high demands unwavering fortitude and unwavering efforts. With the same commitment, we started a journey in 2010 by establishing a Commerce Department with two courses B.Com. and M.Com.. The Commerce department of the College is one of the top in the regions. The department has well qualified and capable faculty members who are committed to the academic and overall growth of the students. Learner-centric, ICT-enabled, Project-based, pedagogical tools are the major attributes of this department. Our basic goal is to develop young men and women who are capable, committed, conscientious, and compassionate. We instill in students an unwavering dedication to improving organizational, professional and social quality of life while encouraging a passionate pursuit of academic and intellectual success. Any civic society's most valuable asset is its competent workforce. Today, education entails not only disseminating information, but also equipping students with the necessary skills and abilities to take on new challenges in order to contribute to society while pursuing their career goals. Therefore, by providing the perspective students high quality education, our primary objective is to set a new benchmark to meet the global academic excellence.

Semester I	Semester II
PGDCA-101 Fundamentals Of Information Technology	PGDCA-201 Database Management System
PGDCA-102 Operating System	PGDCA-202 Introduction to Computer Network,Internet & E-Commerce
PGDCA-103 Problem Solving Using C	PGDCA-203 Object Oriented Programming Using C++
PGDCA-104 Software lab-I(Office Automation)	PGDCA-204 Software lab -III(Web Designing,HTML and DHTML)
PGDCA-105 Software Lab-II (Programming through C)	PGDCA-205 Software lab-IV( C++ Programming)

**Certificate Course:** (1.) Data Analysis with Excel (2.) ASP .NET

## Department of Science & Mathematics

The Department of Sciences (DOS) is one of the resourceful academic departments in Asian Group of Colleges with highly qualified, experienced and motivated faculty members, who are committed towards teaching and research. It was established in the year 2010. Since its inception, the department has been offering PG (M.Sc) programs in, Chemistry and Mathematics and UG(B.Sc.) programs in Medical, Non-Medical and Non-Medical with Computer Applications. The commitment to postgraduate teaching with emphasis on professionalism and research orientation is reflected by large number of publications by the faculty members. The students are encouraged to take up competitive exams like UGC and NET.

### Department offers 3 UG programs and 5 PG Programs:

Sr. No.	Name of Program	Duration	Eligibility
<b>Under Graduate Program</b>			
1.	B.Sc. (Non-Medical)	3 years (6 Semesters)	10+2, with Physics, Chemistry, Mathematics
2.	B.Sc.(Computer, Statistics & Mathematics)	3 years (6 Semesters)	10+2, with Mathematics
3.	B.Sc. (Hons. Biotechnology)	3 years (6 Semesters)	10+2, with Mathematics
<b>Post Graduate Program</b>			
1.	M.Sc. (Chemistry)	2 years, 4 Semesters (2 Semesters in Each years ), Specialization In Inorganic Chemistry, Organic Chemistry and Physical Chemistry	Graduation with Chemistry as one Subject
2.	M.Sc. (Mathematics)	2 years, 4 Semesters (2 Semesters in Each years )	Graduation with Mathematics as Elective Subject
3.	M.Sc. (Microbiology)	2 years, 4 Semesters (2 Semesters in Each years )	Bachelor of Science

B.Sc. (Non-Medical)	
Semester I	Semester II
Punjabi Compulsory/ Elementary Punjabi Mathematics Physics Chemistry/ Computer Science	Punjabi Compulsory/ Elementary Punjabi Mathematics Physics Chemistry/ Computer Science Drug Abuse: Problem, Mgmt And Prevention
Semester III	Semester IV
Punjabi Compulsory/ Elementary Punjabi Mathematics Physics Chemistry/ Computer Science English	Punjabi Compulsory/ Elementary Punjabi Mathematics Physics Chemistry/ Computer Science English

Semester V	Semester VI
Punjabi Compulsory/ Elementary Punjabi Mathematics Physics Chemistry/ Computer Science	Punjabi Compulsory/ Elementary Punjabi Mathematics Physics Chemistry/ Computer Science

### B.Sc.(Computer, Statistics, Mathematics)

Semester I	Semester II
Punjabi Compulsory/ Elementary Punjabi Algebra Trigonometry & Differential Calculus Computer Oriented Statistical Method-I Probability Theory –I Statistics Lab-I Introduction to I.T Computer Programming Using C Software Lab-I	Punjabi Compulsory/ Elementary Punjabi Integral calculus & Differential Equations Geometry Computer Oriented Statistical Methods-II Probability Theory –II Statistics Lab -II (Computer Oriented Statistical Practical) Object Oriented Programming Using C++ MIS
Semester III	Semester IV
Advanced Calculus Differential Equations Applied Statistics Statistical Inference –I Statistics Lab –III Data Structures Database Management System Software Lab-III	Real Analysis Topics in Analysis Industrial Statistics Statistical Inference –II Statistics Lab-IV Operating Systems ASP.NET Software Lab-II
Semester V	Semester VI
Communication Skill(T & P) Abstract Algebra Discrete Mathematics Computer Oriented Numerical Method Sample Surveys Statistics Lab –V Computer Network and Data Communication Visual Programming Software Lab V	Communication Skill(T & P) Mechanics Linear Algebra Linear Programming Design and Analysis of Experiments Statistics Lab –VI Oracle Software Engineering Software Lab- VI

## B.Sc. (Hons. Biotechnology)

Semester I	Semester II
Punjabi Compulsory/ Elementary Punjabi Chemistry Cell Biology-I Microbiology-I	Punjabi Compulsory/ Elementary Punjabi Chemistry Cell Biology-II Microbiology-II Drug Abuse: Problem, Mgmt & Prevention
Semester III	Semester IV
English Chemistry Biochemistry Genetics	English Chemistry Biophysics R-DNA Technology
Semester V	Semester VI
Chemistry Environmental Biotechnology Immunology Biochemical Engineering	Chemistry Microbial Technology Tissue Culture Technology Fermentation Technology

## B.Sc. (Medical)

Semester I	Semester II
Paper-I: Punjabi Compulsory/ Elementary Punjabi Paper-II: Chemistry Paper-III: Botany Paper-IV: Zoology	Paper-I: Punjabi Compulsory/ Elementary Punjabi Paper-II: Chemistry Paper-III: Botany Paper-IV: Zoology <b>Qualifying Paper:</b> Drug Abuse: Problem, Mgmt And Prevention
Semester III	Semester IV

The B.Ed. Programme was launched in 2015 and B.A. B.Ed. in 2016 and since then the Faculty has not looked back and is proud of its outstanding achievements. Today, it feels distinguished and privileged for being one of the best college of Education in the region. The aim of the education college is to develop and nurture future academic professionals of the country. Education and Teaching are considered the noblest of all professions and is one of the most popular career choices among students.

The Asian College of Education is dedicated to inculcate all the necessary academic, practical, and life skills to the students to facilitate their overall growth and success. It also helps in inculcating professional ethics along with human values in the student-teachers to help them take decisions and build paths in direction of overall progress of the society.

We provide students with a large variety of learning aids and facilities to help them become pro-active and competent academic professionals. The students are provided with exposure to practical classroom teaching opportunities and relevant communication skills to help them gain confidence in their abilities. We believe that an academic professional should be ready to transform and make improvements in the established conventions of teaching.

## Salient feature

- Student- centered learning environment, which puts students' interest first, acknowledging students' voice as central to the learning experience.
- For the all-round development of the students apart from the usual studies proper emphasis is given on Personality Development, Computer Literacy and Inter-collegiate competitions.
- Regular Seminars, conferences and workshops are organized in order to share the latest knowledge.
- Asian College of Education is a firm believer of learning things by doing so focuses on “project based” teaching and learning.
- By different pedagogical innovations, we make sure that our students become creative, can face challenges, manage and analyze information, and work with enthusiasm.
- Personal guidance which includes the assistance given to the individual to solve their emotional, social, ethical and moral as well as health problems.
- Assistance program for the preparation of various exams such as CTET, PSTET and other such important examinations.
- Blend of Veteran and Young teachers, where the students get chance to learn by experience and innovation simultaneously.
- Students and teachers are connected via social networking sites, which is helpful in sharing the real time information related to different exams, results, placements (selections) and other information.

## Facilities

Well-equipped digital classrooms, e-library, and state-of-the-art-infrastructure are offered to create a unique academic ambience. Asian Group of Colleges has a multi-disciplinary approach to provide cutting edge quality education to students and enhance discipline, integrity, and the ability to think innovatively. The institution aims to create future leaders, who can be the driving force in society.

**Library**:-The library follows an Open Access policy. You can pick a book of your choice from the shelves and may refer to it in the library or borrow them. The library has a good collection of Encyclopedias, Yearbooks and other reference titles. The library has computer terminals for internet use. The library photocopying service is available from 9:00 am – 5:00 pm. The library supports the copyright policy. At the beginning of new semester the Library offers user orientation programs to its users on the subscribed resources and other facilities. The library maintains a good collection of journals and magazine archives in bound volumes. The Library is using SOLE 2.0 e-Library portal, which provides all the knowledge available through the library on any device from anywhere.

This Regulation shall be applicable to all the students enrolled for Programmes in any Campus of the Institution in respect of Grievances specified herein and shall be effective from 01 June 2019. Student Grievances may be personal or in common and may relate to Academic Issues, Staff-Related Issues or Organisational Issues.

Library

# Sports Facilities

Sports play a pivotal role in shaping one's personality and maintaining good health. We have specially developed a sports environment that gives an extra exposure to all the students. All of which is provided to them on the campus. There are multiple sports facilities like Running track or Playground for, Volleyball, Football, Cricket, High jump, Long jump, Shot Put, Javelin throw, Discus throw etc. every year the institution organises an annual athletic meet to develop a healthy competition among students.

## Play Ground

## Sports/Athletic Meet

## SUPPORTIVE FACILITIES

### Transportation Facility:-

- \* College Buses & Cabs Available (Covers Patiala City and Adjoining Villages)
- \* Government Bus Pass facility available.

### Yoga Facility:-

- \* Separate Room with Natural Light
- \* Professional and Qualified Yoga Instructor.

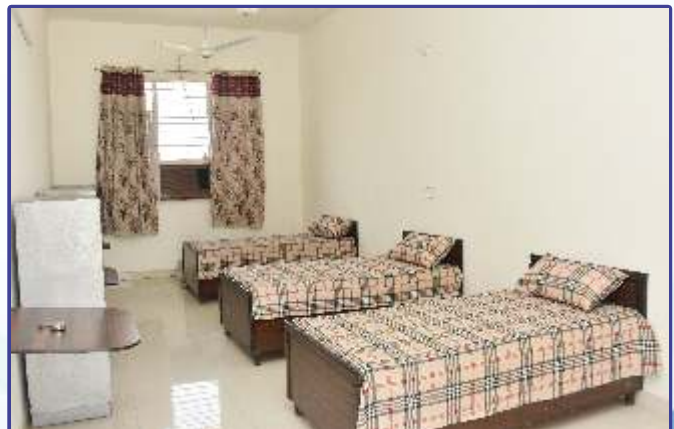

### Canteen Facility:-

- \* Hygienic & Nutritious food is served
- \* Availability:- anytime within official hours
- \* Arrangements:- Fast-food breakfast & lunch meals we also served

### Hostel Facility:-

- \* Hostel available only for Girls.
- \* Laundry facility available.
- \* Clean & Separate Bathroom.
- \* Wi-Fi facility.
- \* Mess facility.

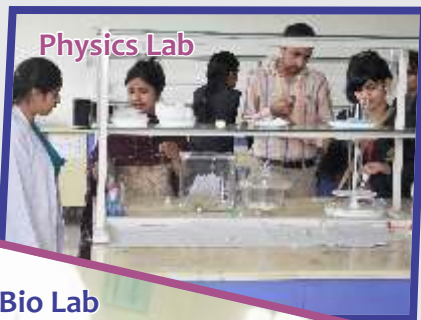

*Asian is the natural choice and preferred college by the students due to its best infrastructure, well equipped labs and lively atmosphere. College provides with best of the amenities.*

## About NSS

The National Service Scheme is an Indian government sponsored public service programme conducted by the Ministry of youth affairs and Sports of the government of India. Popularly known as NSS, the scheme was launched in Gandhiji's centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in colleges.

The programme aims to instill the idea of social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources.

There are two types of activities : Regular Activities(120 hours) and Annual Special Camp(120 hours). All the NSS Volunteers who have served NSS for at least 2 years and have performed 240 hours of work under NSS are entitled to a certificate from the university. The Annual camps are known as Special Camps. Camps are held annually, and are usually located in a rural village.. Volunteers may be involved in such activities as

### Awareness Campaign

### Say No to Stubble Burning

### World Forestry Day

### Blood Donation Camp

### Nukad-Natak Nashila Salaav

### Anti Drug Addiction Campaign

### World Malaria Day

Chief Guest Dr. Balbir Singh (MLA)

**\*NCC Approval Awaited**

## Soft Skill Development:

Soft skills are the life skills that create a positive environment which enables a person to obtain a desired job that suits ones qualifications when he seeks a career opportunity. Soft skills are essential in the professional arena as well as the daily life of a person. These skills should be established and developed and can be established and developed. Soft skills are also important to lead a happy and peaceful life without mental stress. It has to be accepted that soft skills make life easier. The college provides training on soft skills and practically trains the students using various activities. This would pave the way for professional success and subsequently a society of content citizen.

The College has a well equipped Language Lab where the students can make use of the audio visual facilities to improve their linguistic skills. Using the audio visual aids improves the pronunciation and stress on words. The software is provided for clarity in English Speaking, Grammar and Personality development. Students are encouraged to use the facilities.

## Remedial Coaching:

Students differ in their ability to grasp, understand and comprehend the subjects. Further the academic performances of the students are also affected by the previous education and family environment. As the college mainly caters to the needs of the rural students many students perform poorly. To cater to the needs of such students remedial classes are conducted in each subject. The students who are in need of it are made to take the coaching to improve their performance.

## Guidance for Competitive Exams:

Competitive exams are conducted to fill various government Posts and also as qualifying examinations to fill certain posts. The college provides training for preparing to competitive examinations from time to time. The college will provide training for the probationary Officers in Banks, PTET, CTET, SSC and Non technical group A, B & C Posts. The subjects are General Knowledge, Numerical Ability, Reasoning, Attitude and Aptitude and the syllabus prescribed by the particular department.

# Training and Placement Cell

The Training & Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews.

We have been successful in maintaining our high placement statistics over the years and the fact that our students bear the recession blues with record breaking placements itself is a testimony to our quality. The

Training & Placement Cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programmes for final year students.

Since its inception, our placement department has coordinated with more than 50 companies on campus for placements. Our graduates have been privileged with handsome packages, the best locations and growth opportunities. Over the recent years, many reputed companies such as AXIS Bank , ICICI Bank, TCS Ion , Innov8 Technologies, Byju's , HDFC, Asian Heart Hospital , SBI Life Insurance, MAX Life Insurance, Ralson Tyres ,E Clerx, Indian Mesh , ProAce Infotech , Kalgidhar Trust(Baru Sahib),Torque , Sinochem , and Sony have participated in hiring from AEI. We have recently signed MOU's with the leading banks for organising placement drives in the campus.

## UNIVERSITY MERIT HOLDERS

### VENNI GARG

The Most precious days of a person's life are the "College Days". Being a University topper in MBA(IB), I owe it all to my management Department. The Experience And opportunities that opened up for me here at asian Educational Institute are undefined. It turned me into a more curious and achieving person. The support of the faculty members not only helped me to score well, but also helped me to overcome the flaws for being a good human being. I got finite love and lessons from my teachers that made me outstand in all fields. I feel very Proud to be an alumni of Asian Educational Institute.

### BABITA DEVI

My MBA(IB) from asian Educational Institute has been the most interesting. I learnt a lot of things while studying there. I gained experience which added a different perspective to my life. A lot of unseen opportunities came my way which guided me to give my best. The staff motivated and encouraged me to face the risks and learn new things. I am and will always be Thankful to the institute for instilling the goodness in me. Proud to be a part of **NAAC Accredited College.**

**Kapil Kumar (MBA)IB**

**Associate Branch Officer in Aditya Birla Sun life insurance.**

The guidelines provided by the facilitators boosts my energy for future upliftment. Having regular industrial visits was very knowledgeable and a plus point for us to get industrial exposure.

**VenniGarg – BBA and MBA(IB)**

**Entrepreneur–PheonixDermix:-** The College is quite loveable in terms of studies ,facilities and overall environment . I personally feel that the things I learnt from this college are unmatched. The college not only helped us to make professionals but also helped in changing overall personality. The quality, skills or knowledge i earned from this college is much greater than my degree or certificates.

**Babita Thakur--- MBA(IB)**

**Aye finance pvt. Ltd.as a HR Assistant,Gurgaon**

I am a girl and the top priorities of our college are girls' safety which attracted me more towards this College. After completion of two years of my master's programme I noticed a positive change in my personality.

**Gurteshwar Singh ----BA**

**Working in Northern Railways\_Mr.Punjab:-** This is a beautiful college with all modern facilities.Campus is fully monitored by CCTV and Security Guards.Wi-Fi facility is provided in each and every part of building.Full Equipped and Air-conditioned Library with e-resources available here.The quality of teaching is very good and teachers always help us and clear all doubts regarding studies.

**Sachin Singla-B.Com & M.Com**

**Entrepreneur—Homme Trends:-** Throughout my 5 years of journey (2012 to 2017) in B.com and M.com, I am very satisfied with the academic process of the college with excellent and highly fraternized faculty members, supportive and well behaved attitude towards the students and also with an updated curriculum for job assistance. Our college is really having an excellent infrastructure and an eco-friendly campus.

## **Harman-B.com & M.com**

**Chef in Australia.** :- I have completed my B.com in year 2015 and M.Com in year 2017 from this college. I'm very happy and satisfied with this course, trainers and admin team. They were really helpful and I got good advice from them. NOW i' m settled in Australia whatever I learned from this college was very helpful for me to get settled here. I am really thankful to every faculty member. I wish them all the very best as Asian college continues to grow.

## **Satnam Singh--M.com & B.Ed**

### **Lecturter in Commerce (Department of School Education of Punjab)**

Asian college of Education is having an excellent infrastructure and an eco-friendly campus. The motive of our mentors is not only to train us in academics but help us to create a new path so that we can achieve our destination. My experience throughout the college was marvelous.

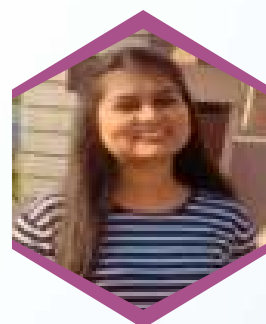

## **Chamkaur Singh--B.Ed**

**Master of Chemistry in Kularan school of Samana.** :- I am glad to inform you that I am working as science master .I learnt many skills during my B.Ed. course. This is the college which provides us many opportunities and a friendly atmosphere. All the faculty members helped me a lot during my studies. I enjoyed and gained a lot in Asian college. My overall experience in the college was wonderful.

## **Sharanjeet Kaur--B.Ed** **Lecturer In Govt. School**

I choose this course as I had interest in teaching. I enjoyed a lot in this college. All the faculty members of the college are very supportive. I have learnt a lot during this course. B.Ed course enhance my upliftment in all the domains. I was appreciated by my guides and that boosts my confidence.

➤ **Nrainjandeep Singh ---B.Ed Maths Master in Government School In Shahbazpur,Tarntarn.**:-Through my journey in this college my overall experience has been amazing .Asian college has provided me with a number of opportunities to grow and explore my skills. Due to the continues support of my mentors and healthy atmosphere of the college,I achieved a higher position in teaching field.
