## ABOUT THE COLLEGE

The Asian Educational Institute, since its establishment, has embarked on an inspiring journey characterized by significant achievements and continuous growth. Initially founded with the mission to impart quality education, the institute quickly positioned itself as a beacon of innovation and empowerment. In its early years, it laid the foundation for academic excellence, setting the stage for a future of remarkable accomplishments. By 2012, the institute had already started to shape its identity beyond academics by introducing the NSS unit, demonstrating its commitment to holistic student development and social responsibility.

The period between 2015 and 2022 marked a phase of notable expansion and recognition. The recognition by the UGC under sections 2(b) and 12(f) in 2015 was a testament to the institute's adherence to high educational standards. In this period, the institute broadened its educational offerings to meet the evolving needs of the industry and corporate environments. These enhancements were aimed at equipping students with practical, in-demand skills, ensuring their preparedness for a rapidly changing job market. It also launched a scholarship scheme for the girl child named "Beti Bachao, Beti Padhao," ensuring accessibility to quality education and emphasizing female empowerment. The success of its alumni, who have secured prestigious positions in government, private, and multinational companies worldwide, is a reflection of the institute's global impact and the effectiveness of its educational programs.

In the year 2022 and 2023, the Asian Educational Institute experienced a remarkable period of growth and recognition. It began with securing NAAC accreditation, setting it apart as the first Self-Financed Multidisciplinary College in the region to achieve this status, reflecting the institution's commitment and the rigorous efforts of its faculty and administration. The journey continued with the establishment of the NCC unit in 2023, bolstering the institute's dedication to fostering disciplines such as leadership and a strong sense of responsibility among its students. In 2024, the institute's newly granted autonomy marked a pivotal milestone, enabling it to offer unparalleled educational quality and holistic development through tailored, skill-based programs.

As the Asian Educational Institute continues on its path of excellence, innovation, and empowerment, it invites students to join in shaping their future and realizing their dreams. The institute stands as a testament to the power of dedication and vision, offering a journey that not only leads to academic success but also to the creation of impactful, global citizens. Here, at the Asian Educational Institute, students are encouraged to redefine boundaries and embark on a path of success illuminated by a legacy of growth and a commitment to individual development.

ASIAN

## Chairman's Message

Dear Prospective Students,

It's with great excitement that I share the transformative journey of Asian Group of Colleges, an institution that has always been driven by the belief that "Knowledge is Power." As we step into a significant new phase as an autonomous institution, our commitment to excellence and adapting to the changing world has never been stronger.

Nestled in the serene and clean expanse on Sirhind Road-Patiala, our campus is not just a place for academic learning but a cradle for innovation and creativity. This year, we've taken a giant leap forward by introducing a range of skill-based courses designed to meet the global demand for employment. These new additions to our curriculum are tailored to equip our students with the practical skills and knowledge needed to thrive in any corner of the world.

Aligned with the New Education Policies focus on employment-oriented education, our mission is to prepare our students for the future, ensuring they are not just ready for the job market but are poised to lead it. Our state-of-the-art facilities, from technology-enabled classrooms to comprehensive labs, alongside our distinguished faculty, are here to support our students in their journey toward achieving personal and professional excellence.

With the honor of NAAC accreditation for our Degree and Education colleges, our dedication to quality education and societal contribution is unwavering. As we embrace this new autonomous status, we invite you to join our community of learners and innovators.

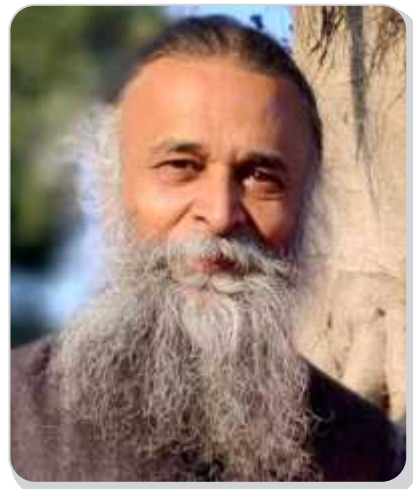

Let's embark on this exciting journey together, armed with knowledge and the skills to make a global impact. Join us at the Asian Group of Colleges, where your journey towards excellence and global employment starts.

Warmest regards,

**Sh. Tarsem Saini**

Chairman, Asian Group of Colleges

## Vice Chancellor's *Message*

Punjabi University, an acclaimed higher education institution of Malwa region, is committed to provide remarkable education by ensuring quality research and teaching. Numerous Government, Government -aided and Self-financed colleges are affiliated to the University that bestows academic leadership upon the colleges for promoting quality education in the nine districts of Punjab.

It gives me colossal pleasure to congratulate Asian Group of Colleges for attaining an Autonomous status for their college. It has succeeded in attaining this status as the First Self-Financed College in Punjab region. I heartily commend the entire team of the college dedicated to their work for their perseverance and commitment towards this success. Under the visionary and adroit guidance of the Management team, the institution has been rewarded with NAAC institutional grading for both its degree and Education colleges. The college has State of the art Infrastructure, lush green campus, academically excellent faculty to cater to needs of the students.

I am elated to envisage their vision that speaks of empowering the future leaders through skill development and industry integration. For this, they have designed a curriculum that bridges the gap between education and practical industry requirements. This industry-academia interface will advance chances of the students to excel as Global service providers and employers that justify the institution's efforts. As they embark on this new journey of autonomy I wish them luck for the best future endeavours.

**Professor Arvind**

(Vice Chancellor, Punjabi University, Patiala)

# Message

## From The Desk of Principal

We at the Asian Educational Institute (Autonomous), Patiala are pleased to announce that we offer top-notch instructions along with ethics, soft skills, and life skills. We are aware that every student has a unique personality and set of learning skills. We also think that effective teaching and learning happen when there is a shared sense of accountability and temperament, which gives students an enthusiastic learning environment. In this regard, the institution is renowned for its warmth, vibrancy, and quality.

Initially established in the year 2010 as an affiliated college of Punjabi University, Patiala and got an Autonomous Status by UGC in 2023, the college has been producing gems of students for adornment of mother India and spreading the knowledge across the globe. The students of this Alma matter were later turned to be giants in various spheres globally.

Education is the coordination of one's intellectual capacity, skill set, and ethical principles. It goes beyond simply achieving academic success. Our motto is "Knowledge is Power" and we take pride in transforming the young brains to become the country's valuable future assets. We hope to imbue them with a comprehensive education that will not only make them dynamic students but also compassionate and sentient human beings. I am pleased to notify you that the College has evolved into a state-of-the-art "Smart Campus," complete with well-appointed features such as large classrooms, computer and science labs, an open-air auditorium, digital and virtual classrooms featuring interactive whiteboards, an integrated attendance management system, a digital library, a dynamic website, CCTV surveillance, a spotless canteen, and green play areas with a variety of amenities.

It is our duty to ensure that our students have a wonderful college experience filled with lots of pleasurable learning and co-curricular opportunities by giving them a first-rate platform on which to develop their interpersonal and creative abilities. The college's graduates, who have found success all around the world, are a testament to its dedication to teaching life skills. It is guaranteed by the college that its students will learn ethical principles without sacrificing their natural curiosity and scientific temperament.

Let's keep paving the path for the development of kindhearted people with high standards of intelligence and start off with great zeal and presumption for reaching lofty standards in academics and other crucial abilities so that we may build the country together.

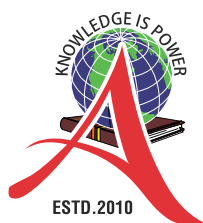

My best wishes are with you. Your insightful recommendations are always appreciated.

"ਸਿੱਖਿਆ ਮਨੁੱਖ ਵਿੱਚ ਪਹਿਲਾਂ ਤੋਂ ਹੀ ਸੰਪੂਰਨਤਾ ਦਾ ਪ੍ਰਗਟਾਵਾ ਹੈ" (ਸਵਾਮੀ ਵਿਵੇਕਾਨੰਦ)

# PROGRAMMES OFFERED

## POST GRADUATE DEGREE PROGRAMMES

- ✓ M.Com. (Finance)
- ✓ M.B.A. (International Business)
- ✓ M.Sc. (Information Technology)
- ✓ M.Sc. (Information Technology)(Lateral Entry)
- ✓ PGDCA
- ✓ M.Sc. (Physics)
- ✓ M.Sc. (Chemistry)
- ✓ M.Sc. (Mathematics)
- ✓ M.A. (Education)
- ✓ M.A. (Punjabi)
- ✓ Bachelor of Journalism (After Graduation)

## UNDERGRADUATE DEGREE PROGRAMMES

- ✓ B.Com.
- ✓ B.B.A.
- ✓ B.C.A.
- ✓ B.Sc. (Non-Medical/Medical/Non-Medical with Computer Application)
- ✓ B.A. (with 16 Electives)
- ✓ B.Voc. (Beauty and Cosmetology)
- ✓ B.Voc. (Food Processing and Management)

# SCHOOL OF **BUSINESS STUDIES**

The Asian Group of Colleges, inaugurated in 2010, is distinguished by its two foundational pillars: the Departments of Commerce and Management. This esteemed institution prides itself on offering a curriculum that seamlessly integrates theoretical principles with practical business acumen. It emphasizes the development of technical skills and practical experience, aiming to produce leaders and innovators ready to navigate the complexities of the global business arena. The college is dedicated to providing an educational experience that prepares students for successful careers through a combination of rigorous academic studies and experiential learning, thereby fostering a culture of adaptability and continuous growth among its learners.

# Welcome To THE DEPARTMENT OF COMMERCE

*"Empowering the Next Generation of Commerce and Finance Professionals"*

At the Asian Educational Institute, our Department of Commerce stands as a testament to excellence in commerce and finance education. With our autonomous status, we've sculpted our curriculum to directly address industry needs while adhering to UGC/University guidelines. Our approach is futuristic, preparing students not only for today's commerce landscape but also equipping them for tomorrow's challenges.

# Innovative Programs With Practical Focus

## UNDERGRADUATE PROGRAMS:

### BACHELOR OF COMMERCE (B. Com):

A **three-years** foundational program in commerce, with elective options introducing finance concepts.

#### Eligibility Criteria:

- Candidates must possess a minimum aggregate of 50% in their higher secondary education (10+2) in Commerce or any stream.
- SC/ST candidates are eligible for a 5% relaxation in the minimum aggregate score requirement.

## POSTGRADUATE PROGRAMS:

### MASTER OF COMMERCE/MASTER OF COMMERCE IN FINANCE (M. COM FINANCE):

An in-depth **two-years** finance specialization, focusing on advanced financial concepts, market analysis, and strategic investment.

#### Eligibility Criteria:

- Applicants must have secured a minimum of 50% marks in their Bachelor's degree (B. Com, BBA, or BAF) to qualify for the M. Com Finance program.
- A relaxation of 5% in the minimum mark's requirement is provided for SC/ST candidates.

## ENHANCE YOUR DEGREE WITH DIPLOMA ADD-ONS

### DIPLOMA ON TALLY & GST, OFFICE MANAGEMENT & SECRETARIAL PRACTICES

**Duration:** One-year program divided into two six-month modules for focused learning.

#### Eligibility Criteria:

- Candidates must have successfully completed their Plus Two (Higher Secondary Education) in any stream with a minimum of 50% marks.

#### Modules:

- **Tally & GST:** Covers financial accounting and GST compliance using Tally.
- **Office Management & Secretarial Practices:** Develops administrative and organizational skills.

## OBJECTIVES

- Bridges theory with practice, enhancing B. Com degree.
- Increases employability in finance and administration.

## BENEFITS

- Makes students job-ready for a range of career options.
- Provides flexibility for B. Com students to specialize without extra time.

### *Why Choose Add-On Diplomas/Certificate Course?*

Enhance your B. Com degree with our diploma courses to stand out in the job market. You'll not only learn the basics, but also gain practical skills that employers love. This combo makes you job-ready and attractive to hiring managers, giving you an edge with added skills that go beyond textbooks.

## OUR CORE VALUES:

- ❖ Excellence and Practicality in Education
- ❖ Industry-Relevant Learning
- ❖ Comprehensive Support
- ❖ Empowerment Through Diversity

# SCHOOL OF COMPUTER SCIENCE AND INFORMATION TECHNOLOGY

## *"Doorway to Digital Transformation"*

Today we are all witnessing the impact of globalization, liberalization and this technological transformation has impacted all our lives. As an academic institute, it is necessary to address these challenges. Asian School of Computing offers its students a unique amalgamation of Professional and academic excellence. The department is well applauded for its modern, up-to-date and contemporary academic curriculum, programmes, mechanisms and structures. The department imparts quality education in the field of Computer Science and grooms students for higher caliber, skills, integrity, and future career planning. The overall experience is inspired by innovation and entrepreneurial skills.

## Courses Offered

## BACHELOR OF COMPUTER APPLICATIONS (BCA)

The BCA, or Bachelor of Computer Applications (BCA), is a three-year undergraduate AICTE approved degree program that focuses on computer applications and software development. It is an extremely popular choice for students wanting to pursue careers in information technology (IT). With the rapid growth of the IT industry in India, the demand for computer professionals is increasing day by day. This growing growth of the IT industry has created a lot of opportunities for computer graduates.

### Eligibility Criteria:

- 10+2 in any Stream with 50% marks in Aggregate.
- 10+2 in any Stream with 45% marks for SC/ST students

## CAREER & JOB OPPORTUNITIES AFTER BCA

### SYSTEM ENGINEER

A system engineer develops, tests and evaluates software

### PROGRAMMER

A programmer works in computer languages and writes code

### WEB DEVELOPER

A web developer specializes in web designing and web development

### SYSTEM ADMINISTRATOR

A system administrator specializes in configuration and reliable operation of computer systems

### SOFTWARE DEVELOPER

Software developers develop the under-lying systems that run devices or that control networks

### INFORMATION SYSTEMS MANAGER

IS Manager plans, installs and maintains hardware and software upgrades

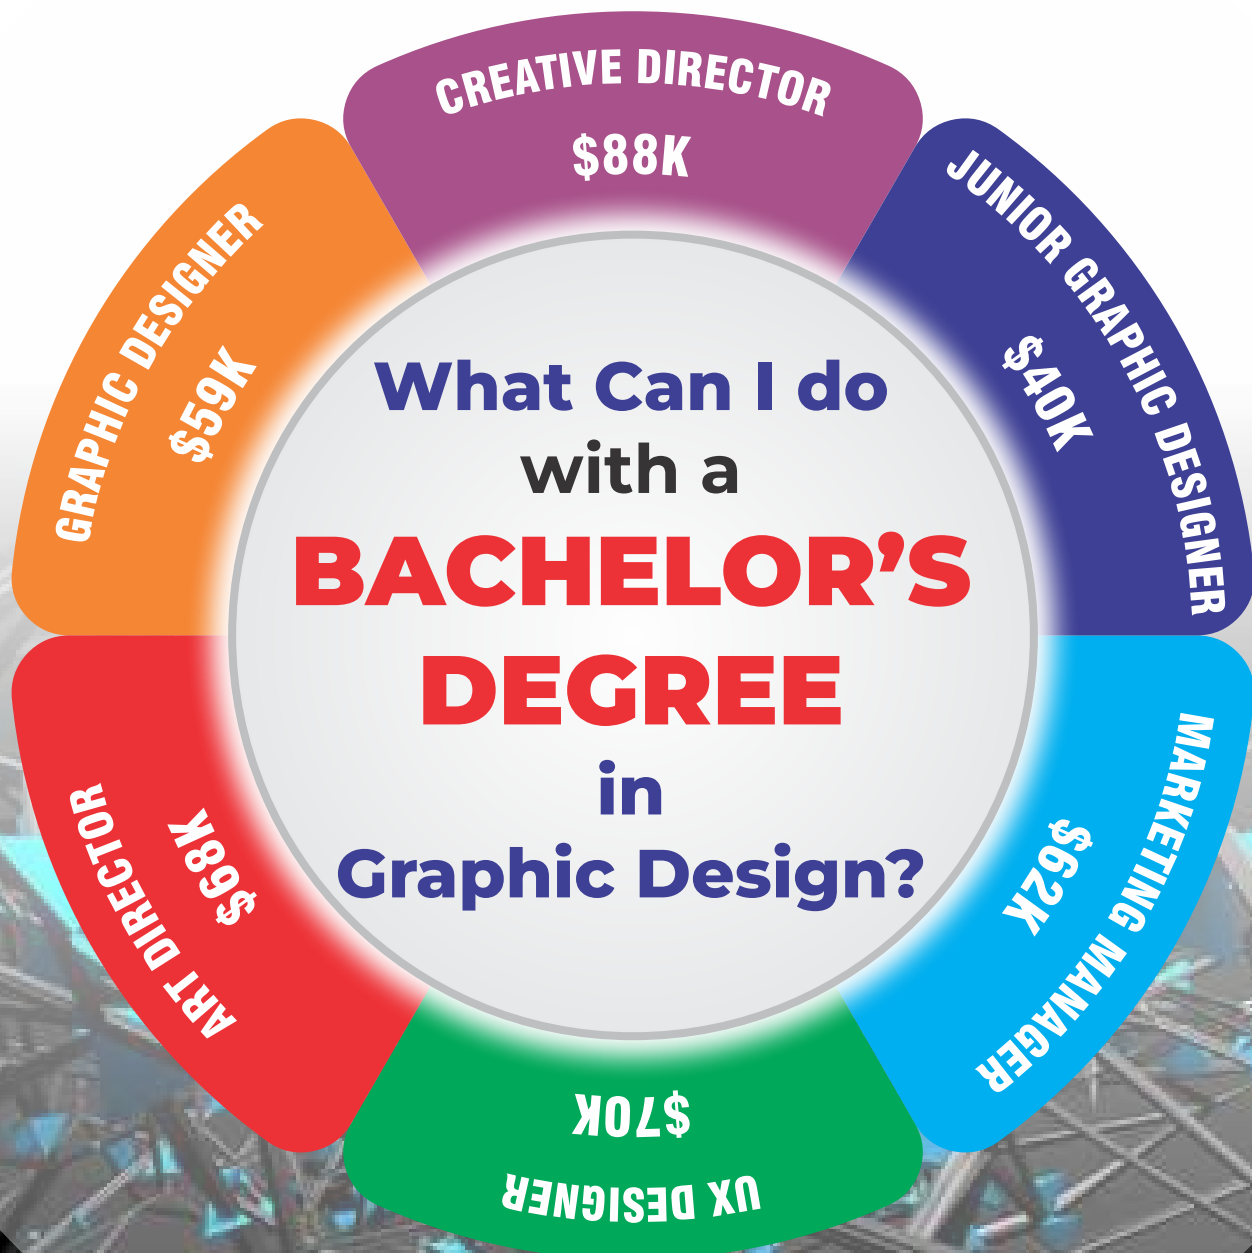

### DATABASE ADMINISTRATOR

Database administrators (DBAs) use specialized softwares to store and organize data

### SECURITY ANALYSTS

They help prevent attacks through their expertise of databases, networks, hardware, firewalls and encryption

## CAREER OPPORTUNITIES AFTER BCA WITH DTP

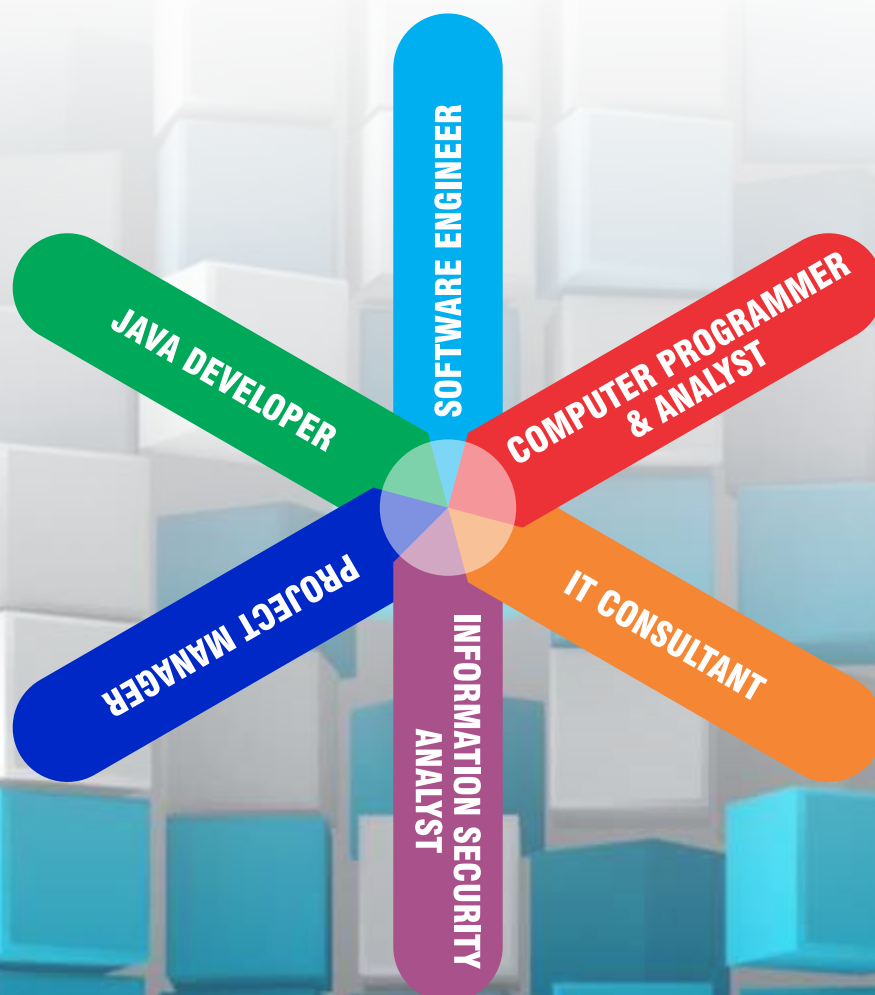

## POST GRADUATE DIPLOMA IN COMPUTER SCIENCE & APPLICATIONS (PGDCA)

PGDCA (POST GRADUATE DIPLOMA IN COMPUTER SCIENCE & APPLICATIONS) is a one year diploma for graduate students coming from different streams having interest in developing computer applications. This course provides opportunity for people to learn different fields of computer technology particularly computer applications. It allows students to gain computer knowledge which will enhance their skills to deal with various information technology related fields. During the one year span, the students go through lectures, seminars, practical sessions and workshops. The students are encouraged to deliver seminars, develop projects, conduct small workshops, and training sessions.

### Eligibility Criteria:

- Graduation in any stream with 50% marks in aggregate.
- Graduation in any stream with 45% marks for SC/ST students.

## BEST CAREER AFTER PGDCA

## M.SC (IT)/M.SC (IT)-LE

Master of Science or MSc in information technology (IT) is a 2 years post-graduate level master degree program. The Programme enhances the skills of students by providing technological oriented knowledge and being able to develop creative solutions. It equips students with strong analytical skills, and critical thinking skills to train them for the fast-paced IT industry.

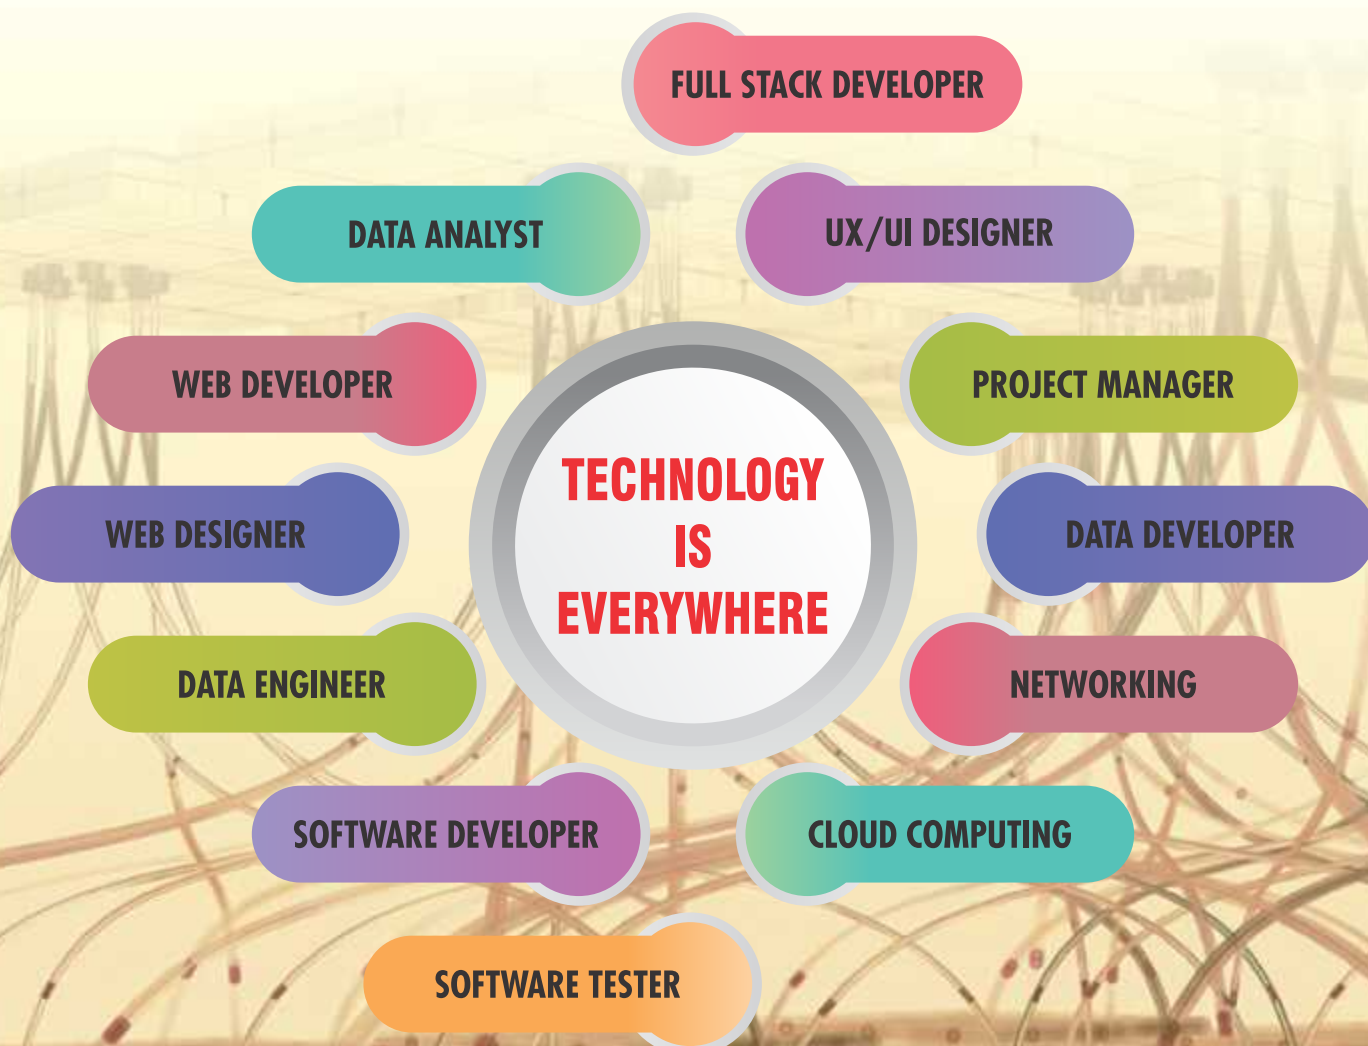

### Eligibility Criteria :

#### M.Sc (IT):

- Graduation in any stream with 50 % marks in aggregate with one of the major elective subjects in each year: Computer Science/Information Technology /Computer Applications or equivalent subject.
- Graduation in any stream with 45% marks for SC/ ST students.
- PGDCA with 50% marks in aggregate.

#### M.Sc (IT)-LE:

- PGDCA with 50 % marks in aggregate
- PGDCA with 45 % marks for SC/ST students.

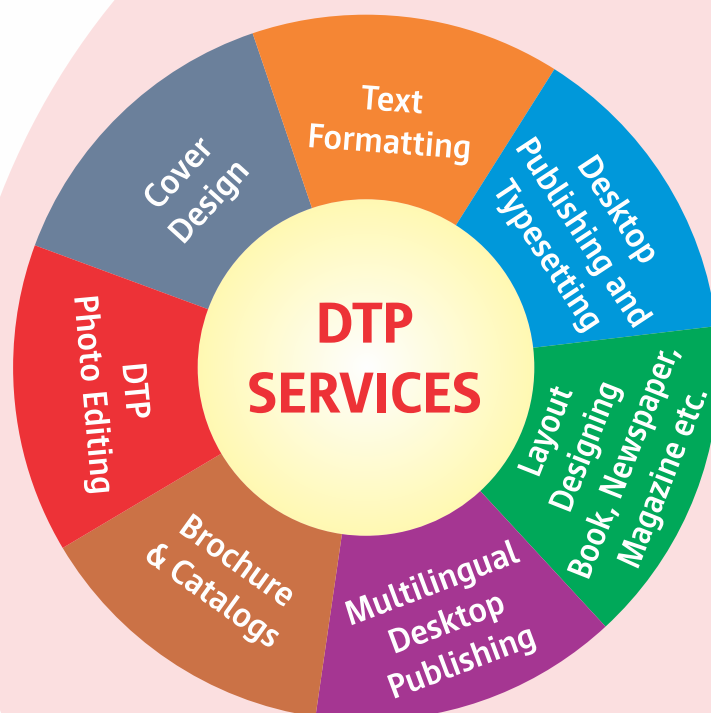

## DIPLOMA COURSES/ADD ON COURSES

### DIPLOMA IN DESKTOP PUBLISHING(DTP):

The course in DTP is a curriculum for skill creation and it leads to employability. It is a training programme in the areas of computer applications, DTP software, printing technology, graphic design. DTP pursues exciting career opportunities in the field of digital, print & multimedia design. It creates stunning & appealing vector designs, icons, products, brochures, and web advertisements or banners.

## Job Prospectus of DTP

## DIPLOMA IN WEB DEVELOPMENT:

With the rapid development in the landscape of Web Designing, creativity and technology go hand in hand. The Web Development Course includes understanding core web technologies and exploring user experience and aesthetics of the interface. Students learn to design attractive and aesthetically pleasing websites using graphics and computer programming languages.

# SCHOOL OF SCIENCE AND MATHEMATICS

Asian Educational Institute has offered PG programs in Chemistry, Mathematics & Physics and UG program in Medical, Non-Medical and Non-medical with Computer applications since its inception. These courses have been recognized by the UGC since 2010. The School of Science is one of the resourceful academic departments in Asian Group of Colleges which provides highly qualified, experienced and dedicated faculty members towards their teaching and related research areas. It has organized eight INSPIRE internship camps for school students. The college has excellent research facilities in various departments with state-of-the-art laboratories. These 3-years an Undergraduate and 2-years postgraduate programmes that aim at imparting practical and industry relevant skills in the domain of sciences. Our Students were well placed in various Government and Non-Government organizations- Infosys, Ralson Ltd., Education department etc.

## What makes School of Science Different

- ❖ Provide learner centered education.
- ❖ Enrich with ICT and apply it in the teaching learning process.
- ❖ To develop scientific attitude is the major goal so as to make the students open minded, critical and curious.
- ❖ Provide fully equipped labs of various science streams.
- ❖ Possible employment setting for sciences majors like jobs in Government and Non-Government organizations (Chemical industries, Colleges/Universities, Food products, Pharmaceutical, Petroleum companies, Research firms).

## B.Sc. (Non-Medical/ Non-medical with Computer Application)

It is a 3- years, six semesters (2 semesters in each year) undergraduate program which provides basic understanding about Physics, Chemistry, Mathematics, Statistics and Fundamentals of Computer applications.

### Eligibility:

10+2, with Physics, Chemistry, Mathematics 50% marks in aggregate (45% marks for SC/ST).

### JOB PROSPECTS:

- ❖ Possible employment setting for sciences majors like jobs in Government and Non-Government organizations (Chemical Industries, Colleges/Universities, Food Product, Pharmaceutical, Petroleum Companies, Research Firms). Students get opportunities to work as Data Analyst and Data Computing.
- ❖ Students are eligible to appear in various competitive examinations for Government jobs at National and State level such as Banking, LIC, FCI, and Police Department etc.

## B.Sc. (Medical)

It is a 3 year, six semesters (2 semesters in each year ) undergraduate program which provides basic understanding about Botany, Zoology and Chemistry.

### Eligibility:

10+2, with Medical stream 50% marks in aggregate (45% marks for SC/ST).

### JOB PROSPECTS:

- ❖ Because the course covers a wide range of technical and practical skills related to Anatomy, Physiology, Biochemistry, Pharmacology, Microbiology and Pathology, it offers a diverse range of career paths in the medical and healthcare sector..
- ❖ They can pursue Master Degree and scientific research in the areas of Botany, Zoology, and Chemistry, Biochemistry, Microbiology, Human and Biotechnology etc.
- ❖ Students get an exposure in the field of clinical, Apiculture, Sericulture, Pisciculture, etc.

## POST GRADUATE PROGRAM

### M.Sc. (Chemistry)

It is two years, 4 semesters (2 semesters in each year) Post Graduate program which provides advanced level knowledge about different streams of Organic, Inorganic, Physical, Environmental chemistry.

#### Eligibility:

B.Sc. with Medical/Non-Medical/Biotechnology (50% in aggregate)

### JOB PROSPECTS:

- ❖ They can opt for a teaching job as a professor or a teacher.
- ❖ They can also work in Pharmaceutical Companies, Laboratories, Research Centers, Medical Colleges, etc.
- ❖ Collaborate effectively on team-oriented projects in the field of Chemistry or other related fields.
- ❖ Students get exposure as a Bio-Scientist, Research Associate, Lab Scientist, Operations Manager, Quality Assurance Manager, Patent design officer, scientist of GP-A and GP-B, Food safety officer, Analyst etc.

### M.Sc. (Mathematics)

It is a two -year Post Graduate program which provides advanced level knowledge about different principles, methods and clear perception of the numerous power of mathematics and tools.

#### Eligibility:

BA/ B.Sc. with Mathematics (50% in aggregate)

### JOB PROSPECTS:

- ❖ They can opt for a teaching job as a professor or a teacher.
- ❖ They can carry out jobs in Govt. and Private Banking sectors.
- ❖ Collaborate effectively on team-oriented projects in the field of Mathematics or other related fields.
- ❖ Students get exposure as a Mathematician, Data Scientist, and Statistician.

## M.Sc. (Physics)

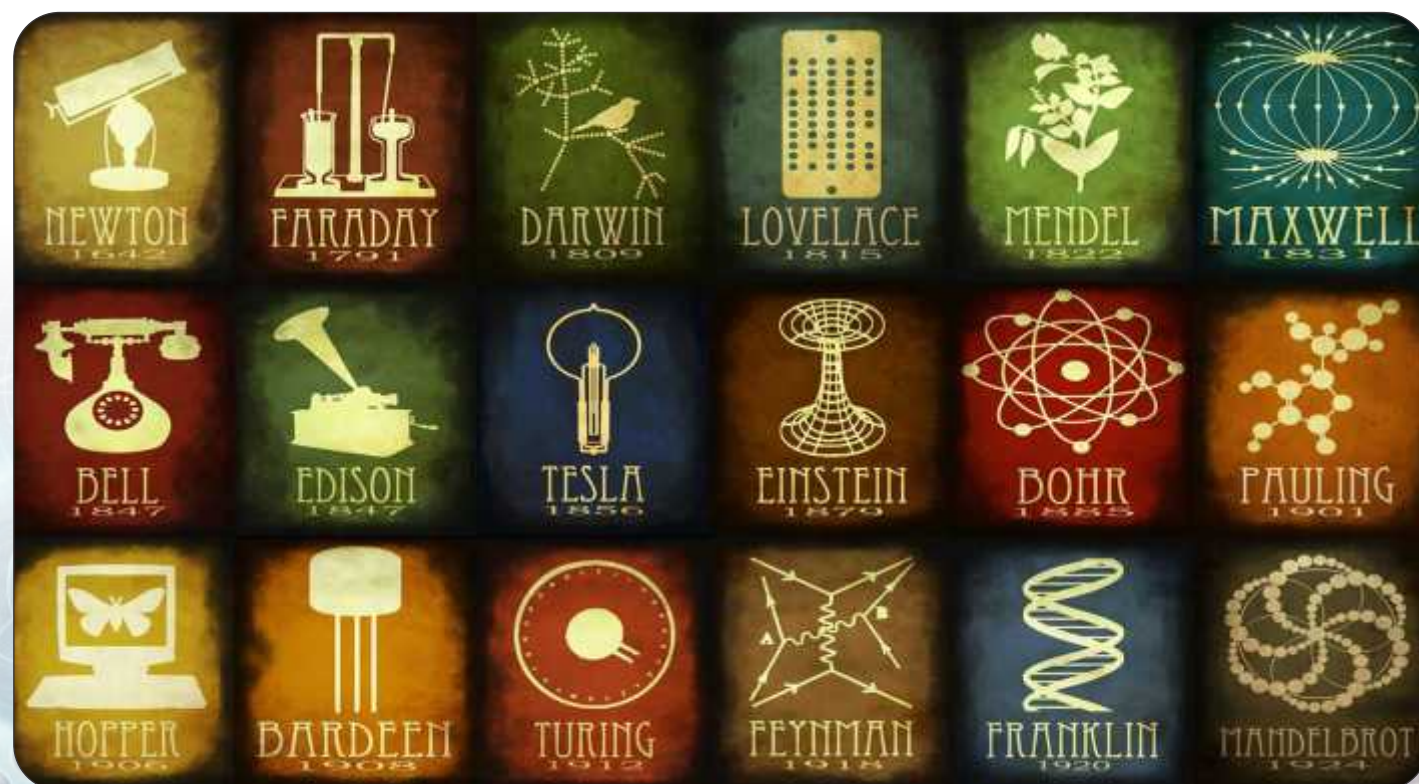

It is two years, 4 semesters (2 semesters in each year) Post Graduate program which provides advanced level knowledge about different subjects of Quantum Mechanics, Remote sensing, Nanomaterials, Electronics and Mathematical Physics etc.

### Eligibility:

B.Sc. with Physics as one Subject (50% in aggregate)

## JOB PROSPECTS:

- ❖ They can opt for a teaching job as a professor or a teacher.
- ❖ They can also work in Scientific Laboratories, Research Centres, Instrument manufacturing Industries etc.
- ❖ Collaborate effectively on team-oriented projects in the field of Physics, Solar energy or other fields.

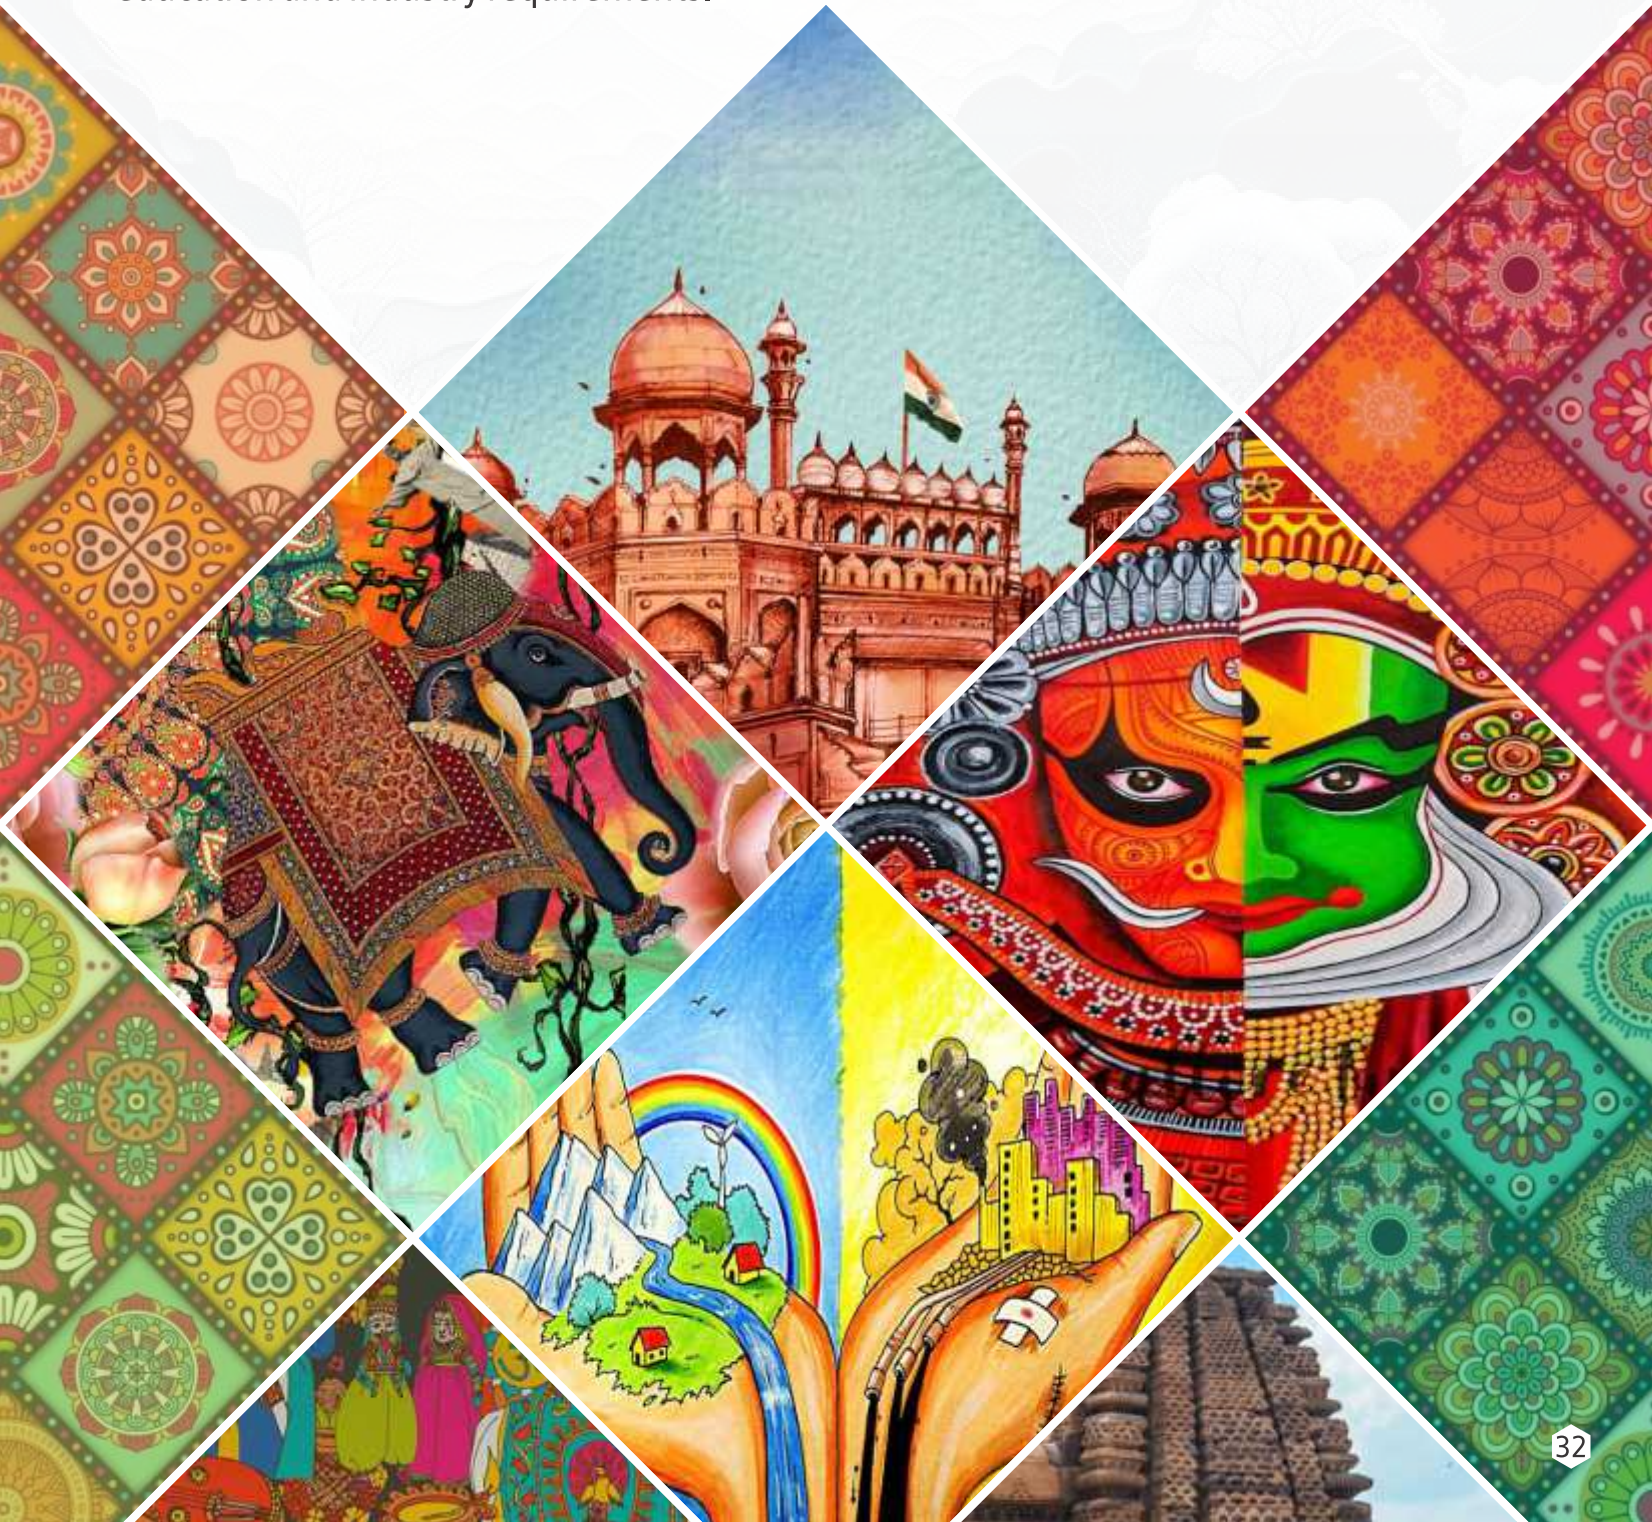

# SCHOOL OF **ARTS & SOCIAL SCIENCES**

The School of Arts provides a diverse view of the world to learners. It equips learners with an enriching experience by creating synergy between various subjects, skills and knowledge.

The Curriculum has been designed to bridge the gap between institutional education and industry requirements.

## The school offers the following programmes to study:

### UNDER GRADUATION

Bachelor in Arts (BA) a 3 years Degree Programme with specialization in various disciplines like

#### GROUP A

ECONOMICS/RELIGIOUS/  
DEFENCE STUDIES/SOCIOLOGY

#### GROUP B

HISTORY/MATHEMATICS/  
PSYCHOLOGY

#### GROUP C

POLITICAL SCIENCE

#### GROUP D

ENGLISH LITERATURE/  
PUNJABI LITERATURE

#### GROUP E

PHYSICAL EDUCATION/  
COMPUTER APPLICATIONS/  
PUBLIC ADMINISTRATION

#### Eligibility:

12TH with 50 % Marks in any Stream. 45% in case of SC/ST

## POST GRADUATION COURSES

### MA (Edu.)

#### MA (EDUCATION):

2 Years Degree Programme

"MA (Education)" typically refers to a Master of Arts degree in Education. This advanced degree is designed for individuals who wish to deepen their understanding of educational theory, practice, research, and leadership.

MA in Education opens up diverse career opportunities in the field of education and beyond, allowing individuals to make a positive impact on teaching, learning, and educational outcomes at various levels and in various settings.

#### Eligibility:

- B. Ed./B.Ed. Integrated Course (with a minimum 50% aggregate score).
- No Maximum Age Limit bar.

## SOME POTENTIAL CAREER PATHS

**Teacher or Instructor**

**Curriculum Specialist**

**Educational Administrator**

**Education Consultant**

**Researcher or Evaluator**

**Learning and Development  
Consultant**

## CERTIFICATE/DIPLOMA COURSES

The Department has introduced some diploma and certificate courses to boost skill based employability and service provisions.

"For the Maximization of your potential and stay ahead of the curve with our comprehensive diploma courses, strategically structured to complement your academic background and boost your career. "Distinguish yourself in the job market with our specialized diploma courses, strategically designed to augment your existing knowledge and make you an indispensable asset in your field."

# 1.WELDING

Welding is a fabrication process that joins materials, typically metals, together by causing fusion. It is widely used in various industries, including manufacturing, construction, automotive, and aerospace.

*A welding course typically covers topics such as:*

**INTRODUCTION TO WELDING PROCESSES:**

There are several welding processes, including arc welding, gas welding, TIG (Tungsten Inert Gas) welding, MIG (Metal Inert Gas) welding and more. The course introduces students to these processes, their applications, and the equipment used.

**MATERIAL PREPARATION AND INSPECTION:**

Proper preparation of materials is essential for successful welding. Students learn about material selection, cleaning and inspection techniques to ensure high-quality welds.

**WELDING TECHNICIAN:**

Welding technicians assist welders by setting up equipment, preparing materials and performing inspections. They may also help troubleshoot welding issues and maintain welding equipment. This role requires strong technical skills.

**WELDING METALLURGY:**

Understanding the metallurgical properties of metals is crucial for effective welding. The course may cover topics such as heat-affected zones, weld defects and post-weld treatments.

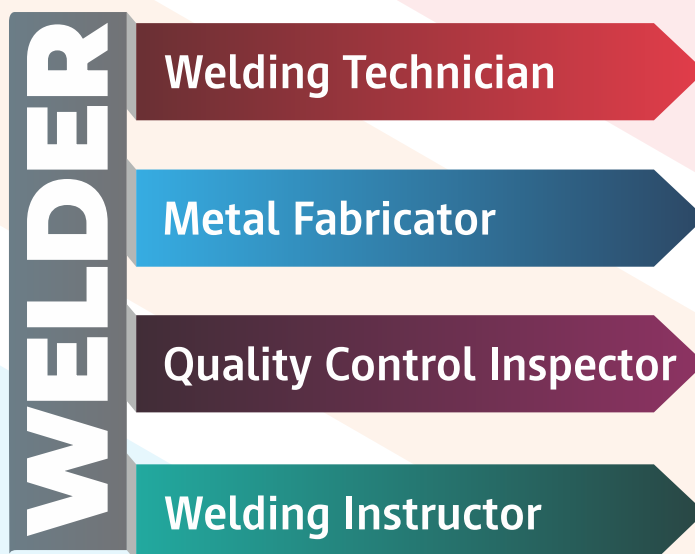

**HANDS-ON PRACTICE:**

Practical training is a significant component of welding courses. Students have the opportunity to apply the theory they've learned in the classroom through supervised welding exercises.

**ELIGIBILITY FOR CERTIFICATE AND DIPLOMA : 10TH class**

## CAREER ADVANCEMENT

Career advancement in welding typically involves acquiring additional skills, certifications, and experience to take on more specialized roles with increased responsibilities and higher pay. The following job prospects will lead individuals' self-career growth.

## 2. PLUMBING

A plumbing diploma course provides individuals with the knowledge and skills needed to pursue a career in plumbing.

*Here's an overview of what you might expect from such a programme:-*

### **CORE PLUMBING CONCEPTS:**

The course typically covers fundamental plumbing concepts, including piping systems, water supply, drainage and sewage systems. Students learn about different types of pipes, fittings, fixtures and valves used in plumbing installations.

### **SAFETY PROCEDURES:**

Safety is a critical aspect of plumbing work. Students are taught about occupational health and safety regulations, proper handling of tools/equipments and techniques for preventing accidents and injuries on the job.

### **PLUMBING CODES AND REGULATIONS:**

Plumbing professionals must adhere to building codes and regulations to ensure the safety and integrity of plumbing installations. The course may cover local, national and international plumbing codes, as well as relevant standards and practices.

### **INSTALLATION AND MAINTENANCE TECHNIQUES:**

Students learn how to install, repair and maintain plumbing systems in residential, commercial and industrial settings. This includes hands-on training in tasks such as pipe fitting, soldering, brazing, welding and fixture installation.

### **READING BLUEPRINTS AND PLANS:**

Plumbing professionals often need to interpret blueprints, drawings and technical specifications when planning and executing plumbing projects. The course may include instruction on reading and understanding plumbing diagrams, layouts and plans.

### **APPRENTICESHIP OPPORTUNITIES:**

Many plumbing diploma programs offer apprenticeship or internship opportunities, allowing students to gain real-world experience under the supervision of experienced plumbers. This hands-on training is invaluable for developing practical skills and building industry connections.

**Eligibility For Certificate and Diploma : 10th In Any Discipline**

## CAREER ADVANCEMENT IN PLUMBING

Plumbing offers a wide range of job opportunities with competitive salaries, job security, and opportunities for advancement. As long as there is a need for clean water, sanitation and comfortable living conditions, the demand for skilled plumbers will remain strong.

# SCHOOL OF VOCATIONAL STUDIES & EDUCATION

*Embark on a Radiant Journey  
with Our Department of Beauty and Cosmetology*

Step into the glamorous world of beauty and cosmetology at the Asian Group of Colleges, where your passion for aesthetics blossoms into a flourishing career. Amidst the ever-evolving beauty industry, we stand as a beacon of innovation and excellence, offering specialized programs tailored to catapult you into the global beauty arena.

## OUR SIGNATURE PROGRAMS:

### **B.Voc in Beauty & Cosmetology**

#### **(3-Year Odyssey):**

For 12th graders from any educational background, offering a deep dive into beauty techniques, trends, and business knowledge for elite global careers.

### **One-Year Diploma in Beauty & Wellness**

#### **(Express Route to Glamour):**

Open to all, our one-year diploma in Beauty and wellness welcomes individuals of any age and educational background.

### **Six-Month Certificate Course in Beauty and Wellness**

#### **(Quick-Start to Success):**

A foundational course in beauty and wellness techniques for a quick career start, suitable for individuals of any age and educational background.

# The World of Beauty & Cosmetology: A Global Overview

The beauty and cosmetology industry are not just about personal appearance; it's a dynamic field merging art, science and business, offering numerous paths to success. Here's how this industry stands out globally:

## CAREER PATHS

### BEAUTY THERAPISTS

- ❖ Specialize in facials, body massages and more.
- ❖ Work in spas, resorts and cruise ships globally.

### COSMETOLOGISTS

- ❖ Experts in hair, skin and nails.
- ❖ Opportunities in salons, business startups, product development and brand management.

### MAKEUP ARTISTS

- ❖ Specialize in bridal, fashion and special effects makeup.
- ❖ Careers in TV, film, theatre and events.

### SALON AND SPA ENTREPRENEURS

- ❖ Combine business skills with industry knowledge.
- ❖ Open and manage salons and spas with international reach.

### CONSULTANTS

- ❖ Provide advice on products, trends and treatments.
- ❖ Collaborate with brands, media and individuals.

### FREELANCE PROFESSIONALS

- ❖ Offer services independently across multiple beauty disciplines.
- ❖ Flexibility to work with clients directly or through platforms and agencies.

### NAIL TECHNICIANS

- ❖ Specialize in manicures, pedicures and nail art.
- ❖ Work in salons, spas, or as independent consultants offering personalized services.

### AESTHETICIANS

- ❖ Focus on skin care treatments, such as facials, chemical peels and microdermabrasion.
- ❖ Employment in dermatology offices, spas and wellness centers, or self-employment.

### HAIR STYLISTS

- ❖ Expertise in cutting, coloring and styling hair.
- ❖ Work in salons, film and TV sets, fashion shows and as freelance stylists.

### BEAUTY EDUCATORS

- ❖ Teach at cosmetology schools, conduct workshops and create online courses.
- ❖ Positions range from technical skills training to business and marketing strategies for beauty professionals.

## GLOBAL OPPORTUNITIES

### INTERNATIONAL BRANDS

- ❖ Work with world-renowned beauty brands in various capacities.
- ❖ Roles in product development, marketing strategies and educational programs.
- ❖ Opportunities for global travel and exposure to international beauty trends.

### LUXURY ACCOMMODATIONS

- ❖ Provide exclusive beauty and wellness services in luxury hotels and resorts.
- ❖ Cater to a high-end clientele seeking premium beauty experiences.
- ❖ Engage in creating bespoke treatments and services that reflect local cultures and global standards.

### EXCLUSIVE SPAS

- ❖ Positions in both urban luxury spas and secluded wellness retreats.
- ❖ Specialize in holistic and therapeutic treatments, from traditional practices to innovative wellness therapies.
- ❖ Lead in developing spa menus and wellness programs tailored to discerning clients.

### EDUCATION AND TRAINING

- ❖ Demand for skilled educators and trainers is skyrocketing due to industry expansion.
- ❖ Teach at esteemed beauty academies, conduct workshops and offer online courses.
- ❖ Opportunities to influence the next generation of beauty professionals through mentorship and curriculum development.

### BRAND AMBASSADORSHIP AND COLLABORATION

- ❖ Represent leading beauty brands, showcasing products and services to a global audience.
- ❖ Engage in collaborations that align with personal expertise and brand ethos.
- ❖ Influence product development and marketing strategies with expert insights.

### BEAUTY AND WELLNESS TOURISM

- ❖ Contribute to the growing sector of beauty and wellness tourism by offering destination-specific treatments.
- ❖ Work in locations famed for their natural beauty and therapeutic resources.
- ❖ Develop programs and packages that attract tourists seeking wellness and beauty rejuvenation.

### DIGITAL CONTENT CREATION AND SOCIAL MEDIA

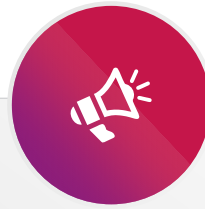

- ❖ Leverage platforms like YouTube, Instagram, TikTok to share expertise, attract a following and influence beauty trends.
- ❖ Opportunities for partnerships with beauty brands, digital marketing and content monetization.
- ❖ Pioneer in virtual beauty consultations and services, expanding reach to a global client base.

## Why Our Department Shines Brightly:

### UNLOCK GLOBAL OPPORTUNITIES:

Our globally-aligned curriculum ensures your skills are in demand, anywhere and everywhere.

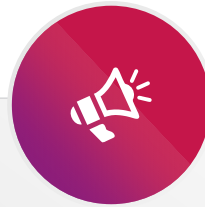

### PRACTICAL MASTERY MEETS INNOVATION:

Experience hands-on learning with a focus on the latest industry demands, ensuring you're primed for success.

### LEARNING IN LUXURY:

Our cutting-edge facilities are your playground for creativity, featuring the latest in beauty technology and innovation.

### GUIDANCE FROM THE STARS:

Learn from the best - our faculty are esteemed industry veterans, ready to pass on their secrets and success.

*Join the ranks of beauty professionals who start their success story with us. At the Department of Beauty and Cosmetology, we don't just teach beauty- we inspire professionals who make the world a more beautiful place, one successful graduate at a time.*

# B. Voc. (Food Processing & Management)

## PROFILE

A Bachelor of Vocational in Food Processing and Management is available from Asian Educational Institute, Patiala (PB). As a flagship course of the Skill India Initiative, B.Voc. Food Processing was acknowledged by the University Grants Commission in 2024-25 under the National Skill Qualification Framework (NSQF). The food industry is a bright field with lots of work opportunities both domestically and internationally. Asian Educational Institute is situated in Punjab, which is home to several Agro-based Enterprises. The three-year B.Voc. Food Processing undergraduate curriculum seeks to develop employable workers by providing hands-on, industry-relevant skills in food processing and management.

A candidate who chooses to pursue the B.Voc. programme over other academic degree courses can take advantage of multiple entry and exit choices within the programme, which is based on industry standards and curriculum. Building industry-specific job skills is the main goal of this cutting-edge training, which will improve employability. The development of skills is given the proper weight in order to meet the diverse needs of industry and offer pathways to successful entrepreneurship.

## VISION

In order to close the skills gap and meet the demands of the expanding food industry, we will produce trained and skilled students who are adept in the processing and management aspects of food processing.

## MISSION

- To impart knowledge and skills in preservation, processing, production and value addition of agro products.
- To innovate in product and process development and ensure food quality and safety.
- To manufacture novel foods that are wholesome, nutritious and safe and to give a modern twist to traditional food products.
- To promote and uphold food standards and food laws and regulations for providing a safe food market for the consumers.

## HIGHLIGHTS

- B. Voc. Degree Duration: 3 years (full-time).
- The program has multiple entries and exits varies from Diploma to Degree certification.
- First academic year Completion: Diploma certificate.
- Second academic year Completion - Advanced Diploma certificate.
- Third academic Year Completion - B.Voc. Degree.
- These courses are designed under NSQF and UGC (University Grant Commission) guidelines.
- Affordable fee structure as compared to others.
- B.Voc. Specializations: B.Voc. Food Processing and Management.
- Higher Studies: M.Voc.
- Industrial training.
- Hands on job training.
- Practical experience for specific job levels.
- Interaction with industrial experts and academicians.
- Expertise in innovative and technological aspects.
- Projects on current food trends.
- Employable skills matching current market requirements.
- Promoting start-ups.

- BOD incubator

## ELIGIBILITY

### Minimum Eligibility:

12th Pass from ( Arts/Commerce/Science or equivalent/3-year diploma related to Food processing)

### Admission Process:

At the college level on a first come first serve basis

# ASIAN COLLEGE OF EDUCATION

A steady stream of highly educated and skilled people is needed to create a highly knowledgeable society to improve professional education, training, skills and research abilities. The Asian College of Education mission is to cultivate the nation's future generation of academic professionals among students. Teaching is considered as the noblest profession among all occupations. In light of this, the Asian College of Education (Teacher Training College) was founded in 2015 to expand the reach of teacher education to impoverished populations in remote areas of Punjab (Patiala). The college is affiliated with Punjabi University Patiala and approved by NCTE. The Integrated BA/B.Sc. B.Ed. programme was introduced in 2016 and since then, the college has accomplished outstanding achievements and has never looked back. It now stands out as one of the top education colleges in the area having received a Grade B accredited by NAAC. In the future Asian College of Education is planning to provide students with ITEP (Integrated Teacher Education Programme) for middle and secondary stages that need to support their entire development and accomplishment.

In order to help students to become proactive and competent academic professionals, we offer them a plethora of teaching and learning tools. For the development of the students, they are exposed to essential communication skills and real world classroom teaching opportunities. MOU's have been signed with various schools for smooth functioning of internship and placement programs.

The Asian College of Education is dedicated to inculcate all the necessary academic, practical and life skills to the students to facilitate their overall growth and success. It also helps in inculcating professional ethics along with human values in the student-teachers to help them take decisions and build paths in direction of overall progress of the society.

## ਪ੍ਰਾਰਥਨਾ

ਸਾਨੂੰ ਦਾਨ ਵਿੱਦਿਆ ਦਾ ਤੁਸੀਂ ਪਰਮਾਤਮਾ ਦੇਣਾ,  
ਦਇਆ ਕਰਨਾ ਸਾਡੀ ਆਤਮਾ ਨੂੰ, ਸੁਧਤਾ ਦੇਣਾ।  
ਸਾਡੇ ਧਿਆਨ ਵਿੱਚ ਆਉ, ਪ੍ਰਭੂ ਅੱਖਾਂ ਚ ਵਸ ਜਾਉ,  
ਹਨੇਰੇ ਦਿਲ ਵਿੱਚ ਜਾ ਕੇ, ਗਿਆਨ ਦੀ ਜੋਤੀ ਜਗਾ ਦੇਣਾ।  
ਵਗਾ ਦਿਉ ਪਿਆਰ ਦੀ ਗੰਗਾ, ਦਿਲਾਂ ਵਿੱਚ ਪ੍ਰੇਮ ਦਾ ਸਾਗਰ,  
ਸਾਨੂੰ ਆਪਸ ਵਿੱਚ ਮਿਲ ਕੇ, ਪ੍ਰਭੂ ਰਹਿਣਾ ਸਿੱਖਾ ਦੇਣਾ।  
ਸਾਡਾ ਧਰਮ ਹੋ ਸੇਵਾ, ਸਾਡਾ ਕਰਮ ਹੋ ਸੇਵਾ,  
ਸਦਾ ਈਮਾਨ ਹੋ ਸੇਵਾ, ਚੰਗੇ ਇਨਸਾਨ ਬਣਾ ਦੇਣਾ।  
ਸੱਚਾਈ ਦੇ ਰਸਤੇ ਤੁਰਨਾ, ਹੱਕ ਦੇ ਵਸਤੇ ਲੜਨਾ,  
ਵਚਨ ਤੇ ਜੀਵਨ ਕੁਰਬਾਨ, ਕਰਨਾ ਸਿੱਖਾ ਦੇਣਾ।  
ਗਿਆਨ ਦਾ ਭੰਡਾਰ ਹੈ ਏਸ਼ੀਅਨ, ਹਰਿਆਲੀ ਦਾ ਧਾਮ ਹੈ ਏਸ਼ੀਅਨ,  
ਗਿਆਨ ਦਾ ਸਾਗਰ ਭਰ ਲਈਏ, ਪ੍ਰਭੂ ਇਹ ਢੰਗ ਸਿੱਖਾ ਦੇਣਾ।  
ਸਾਨੂੰ ਦਾਨ ਵਿੱਦਿਆ ਦਾ ਤੁਸੀਂ ਪ੍ਰਮਾਤਮਾ ਦੇਣਾ,  
ਦਇਆ ਕਰਨਾ ਸਾਡੀ ਆਤਮਾ ਨੂੰ, ਸੁਧਤਾ ਦੇਣਾ।

# TRAINING AND PLACEMENT CELL

The Training and Placement Cell is firmly committed to “Industry-Institute” interactions. The cell is well equipped with ample infrastructure in terms of Conference/Seminar hall for pre-placement talks, presentations, on-the-campus-placements etc. The goal of the Training and Placement cell is to provide a platform for the students to use their potential to gain valuable experience by working in the industry and act as an interface between companies seeking talented and brilliant-minded undergraduates and postgraduates from various disciplines.

The cell arranges training programs like Mock Interviews, Group Discussions, industry-insight seminars, Communication Skill Workshops, etc. that prepares them for their industrial training in various disciplines and also organizes training for students who are interested in joining the Government Sector. It works with close knot organizations through MoU’s that provide placements to our final year students. Since its inception, the Placement Department has coordinated with more than 50 companies on campus for placements through which our students have bagged handsome packages and acquired reputable designations at pre-eminent organizations.

# ALUMNI

**SHIVANI**

I am Shivani, a student of Asian college. I have also completed my graduation (B.com) from Asian group of college and it has been a great experience being a part of it. All the teachers here are very much supportive, interactive and highly qualified.

**AMANDEEP KAUR**

This is Amandeep Kaur from 2020-2023 Batch. I got placed in " ICICI BANK LTD" CHANDIGARH. I am really thankful towards our college and placement cell, for supporting and providing us opportunities to learn interview skills, communication skills and guiding us in placements. Our teachers encouraged us to learn from our mistakes and always reminded us of a corporate world out there which does not recruit candidates based on marks but also on their skill levels. Our teachers used to teach us or at least keep us informed about the latest trends in technology. It was with great sadness that I left the threshold of this institution and will always remember this institution with fond memories.

**RAGINI SHARMA**

My name is Ragini Sharma.I had outstanding experience at the Asian college, where I learned numerous teaching techniques and strategies. I feel proud to be an alumnus of Asian College of Education and thankful to my teachers, who gives practical knowledge of every subject in a very enjoyable manner.

**VENNI GARG**

The most precious days of a person's life are the "college days". Being a University Medalist and Merit Certificate Holder in M.B.A (IB), I owe it all to my management department. The experience and opportunities that opened up for me here at Asian Educational Institute are undefined. It turned me into a more curious and achieving person. The support of the faculty members not only helped me to score well, but also helped me to overcome the flaws for being a good human being. I got infinite love and lessons from my teachers that made me outstand in all fields. I feel very proud to be an alumni of Asian Educational Institute

**ANANYA GARG**

My name is Ananya Garg. I pursued my Bachelors in Arts from the Institute and I believe that it was the best decision ever. Teachers have been super supportive throughout my journey and have gone out of their way to help me and make me the confident person that I am today.

**RUPAKSHI**

I Rupakshi of Science stream, would like to appreciate the faculty member whose expertise and commitment providing education has greatly enriched my learning experience. Interactive teaching methods to support students outside of class have been particularly noteworthy. Additionally, the college's emphasis on practical training and experiential learning has been beneficial in preparing students for real-world teaching . The opportunities for internships and fieldwork have allowed me to apply theoretical knowledge in a practical setting, which is invaluable for aspiring educators. Furthermore, enhancing communication channels between students and faculty could contribute to a more efficient learning environment.

**RAVINA**

I feel cherished and proud of being an alumni of such a reputed and honorable institution. The knowledge and experience gained here is and will always be helpful. The faculty has been highly supportive and approachable, creating an environment that fosters learning and growth. They have been readily available to provide guidance and clarification, both inside and outside the classroom. Their willingness to invest time and effort in students' development is truly appreciated. The knowledge gained from here while pursuing B.Ed helped me get enrolled in further education in Canada in the M.Ed programme. I am in the process of obtaining my Canadian teaching license and currently working in the Canadian Emergency Health Services. I am grateful for having been ...

**JASHANDEEP KAUR**

My name is Jashandeep Kaur, I did my B.A B.Ed course in Asian college in 2023. My overall experience in this college was very good. The teachers are very supportive and always help the needy and poor students. When I first started my classes, I thought it was too difficult for me to study in an unfamiliar place and environment. But my teacher guided me and helped me in every situation. In my view, this college is very good for everyone especially girls. I strongly recommend everyone to join this college for your bright career.

**NAVNEET KAUR**

I was a student of Asian College of education, Patiala in B.A.B. Ed. I spend my four years during the study in this campus. This time is very wonderful, precious and comparative for me. The college campus is very beautiful and calm. The professors are highly qualified. They are not only teachers, but also good friends. I am very thankful to Asian college which help me to improve my weaknesses.

**VINOD**

I was a student of M. Sc organic chemistry in your college. The campus of the Institution is very beautiful. Faculty members are very cooperative. They helped the students in every aspect. They focus on the future performance rather than past performance. I am very thankful to the Asian college for giving me the valuable Knowledge.

**SUKHWINDER KAUR**

I have done M.Sc- IT from this institute. The department of computer science helped me in boosting my confidence. The teachers are very helpful and cooperative. They stay in touch with their students even after graduation. I recommend this college to all the students for their bright future.

**MEHAK DUTT**

I have done M.Sc- IT from this institute. The department Computer science helped me in boosting my confidence in all the activities. The teachers are in this institution is very hardworking. They motivate the students for their better future. I feel blessed to the part of this institution

**GEETA**

Geeta, Relationship Manager - New Relation from ICICI bank. I am glad that I completed my higher education from Asian Group of College. The support provided by the college was incredible. All the teachers and staff are very kind. This College provides best career opportunities, I got my job through college placement also.

**AMANDEEP KAUR**

I am really grateful to the Asian Educational Institution and my teachers who have changed my whole aspects towards learning. I am always thankful to all faculty members for their valuable support in my academic career.

**SANDEEP KAUR**

I have done my B. Sc. (NMCA) from Asian educational Institute Sirhind Road Patiala. I found it as the best college for study. The environment for study in this college is very efficient. Teaching facilities are also the best...Teachers give their best to teach students College fees is affordable.

**ASTINDERPAL SINGH**

I had a great experience at this college. The faculty members are very knowledgeable and experienced, and they are always willing to help students. The curriculum is up-to-date and relevant, and it provides opportunities for internships and placements. The campus environment is very conducive to learning and the students are cooperative and supportive.

# NEWCOMER FEEDBACK

**NAVJOT KAUR**

Immerse yourself in a rich tapestry of cultural and extra vehicular activities from performing art to students club and organization. Discover your passion ,unleash your potential and shape the future at the Asian institute ...!

**AMANDEEP KAUR**

My name is Amandeep Kaur. I am a student of Asian Group of college in B.COM-1 year. The environment of this college is excellent where we can easily achieve our goals. It encourages us for everything. Our teachers are also very supportive who teach us with love and take good care of us too. Every facility has been given to us in our college. The classes here are very large and comfortable. I have gained a lot of confidence in this college.

**PIYUSH AGGRAWAL**

I am a student of an Asian group of college pursuing the course (master in commerce). The college fosters intellectual growth, critical thinking, personal development. Its a transformative journey where minds expand, perspectives evolve and lifelong friendships form. Professors impart wisdom, igniting passions and curiosity. Also libraries brim with knowledge, while laboratories spark innovation. Also have extracurricular activities enrich experience, shaping well rounded individuals. Through lectures, debates we are very helpful to upgrade our skills. Thank you

**KRITI**

I am Kriti from B.com 2nd semester in an Asian group of colleges. I found this perfect place to brighten our future because we are provided with the best teachers who listen to the problems of each and every student and provide us the best guidance. One is likely to feel as being treated as a child. I am blessed to have such cooperative teachers and good faculty. Besides teachers we are provided with many more comforts according to our needs like better environment, library, canteen, computer lab. I am very thankful to the chairman sir, principal sir and teachers for providing such facilities with very good environment.

**KIRANDEEP KAUR**

I am Kirandeep Kaur.. Last year , I passed my BA. B. Ed (integrated course) from Asian college... Now I am pursuing MA Punjabi from here.... I have 5 years of great experience , the faculty of this Institute is very supportive and very experienced. They always motivate us to attend lectures and they clear each and every doubt of the students and also provide guidance for career...i also recommend to each to choose this Institute... And make their future bright.

**SIMRAN SOOD**

I am a student of B.Ed. in Asian College of Education, Sirhind Road, Patiala. The teachers have always been a supporting head to all the students. They have always taken efforts to make a student friendly environment. Students here are quite decent and studious. Every student here possesses some or the other talent and to enrich these talents, college initiates to organize various programmes and competitions periodically. Awareness rallies are also organized for the students to engage with the communal beings. College takes joint efforts to keep up with the ever changing technology and guidance for teacher-student communication. Laboratories for science practicals and other laboratories are well equipped so that students make the most out of their practical studies. Library is filled with books and magazines for students as well as teachers. All in all, the college is a complete package for the all round development of the teens and adults.

**BHAVJEET KAUR**

I am a student of B.Sc B.ED in this college, infrastructure of this college is excellent which one student needs in the college to get focused in their studies. It provides proper practical as well as theoretical knowledge. The teachers are very helpful and co-operative. They have good command in their respective field.

**NANDINI SHARMA**

I'm Nandini Sharma. I'm a student of B.ed (first year) . In Asian group of colleges Every student get good placement well reputed and renowned companies, curriculum was excellent . College provides us with internships for a better future and experience. We have faculties ,who are very educated , knowledge and experienced. They are very helpful and understand communication well .I have learnt many new things. I learned many new things from my teachers who take great interest in pushing the students and preparing them for the future. We get to clear doubts and the lecturers help us understand better with the amazing methods they use to take classes. Overall it's a great place to be in!

**ANURAG GUPTA**

Dynamic, inclusive, and innovative, our college is a vibrant hub of learning and growth, where students are empowered to pursue their passions and shape their futures.

**KARANDEEP**

This autonomous college has incredible facilities along with brilliant education and staff members. It is running integrated courses like B.Sc. BEd, BA, BEd, Beauty and wellness, Bakery and others to develop student's skill and interest.

**KARANPREET SINGH**

I am Karanpreet Singh student of B.A. (first year). I like the faculty and I feel I had the best environment for my studies. I learned many new things from my teachers who were very helpful in every way they could. The teacher-student interaction is highly positive.

**NAVDEEP KAUR**

My name is Navdeep Kaur. I am a student of BBA. The cooperative environment of Asian college has helped me identify my strength. The faculty is very supportive and cooperative. It assists the student to boost their confidence in co-curricular activities. The infrastructure facility and equipment such as classroom, laboratory and well maintained. I feel blessed to be a part of this prestigious institution.

**ISHDEEP SINGH**

Hello , My name is Ishdeep Singh. I am a student of BCA. The supportive environment at Asian college has helped me in identifying my strengths. I feel blessed to be part of this prestigious institution.

**NAVNEET**

I am Navneet, I am a student of Asian college and pursuing M.Sc IT. I completed my B.Sc. as a graduation course. At that time I was not sure either to go with Mathematics or Computers but now I think I made the right choice by selecting the technological pathway.

**NAVREET KAUR**

I am Navreet Kaur I completed my +2 from Jasdev Public School Kauli, Patiala .I decided to take admission in Asian college with the reference of my relatives.I decided to graduate my self by taking B.A., B.Ed Course. This course is integrated and beneficial for my future and will save my one year. This college provides efficient learning methods and the teachers of this college are not only supportive towards the students for their academic problems but also concerned about their social , emotional problems. The teachers here are very well experienced and they provide a supportive environment.The college has the policy to provide free education to the girls scoring more than 85% and above. There are many new courses available in this college for new students of 2024 ( beautician, baking,plumber, welder) .I am happy that I am polishing my skill at Asian college.

# Sports

Sports play a pivotal role in shaping one's personality and maintaining good health. We have specially developed a sports environment that gives an extra exposure to all the students within campus. There are multiple sports facilities like a running track, playground and courts for, volleyball, football, cricket, high jump, long jump, shot put, javelin throw, discus throw etc. Every year, the institution organises an annual athletic meet to develop healthy competition among students
