The action plan, indicating the way students are familiarized with the diversities in the Indian school system, was as follows.

- Teachers always need to know their students because each and every child is individual.
- Extra co-curricular activities.
- Maintain consistent communication with them.
- Physical strength must be increased with exercise and sports.
- Respect and sensitivity must be given to the students.
- Art and cultural programmes were organized.
- Diversity in lesson plans but cultural awareness in the classroom are suggested.
- Important days must be celebrated, and their importance should be understood by students.
- Give students freedom and flexibility.
- Students must gain a better understanding. To become open minded and they will feel confident and safe and will be good citizens.
